

## Marine Engineering Diving Services

# QUALITY POLICY

*“MEDS shall strive to be a leading provider of Diving Services by delivering resources on time, every time.*

*We will comply with all regulatory requirements and provide value for money to our customers by continually improving our processes and service quality.*

*We will strive to achieve and maintain a position of being preferred subsea contractors through up gradation of our skills and achieving customer expectations by periodic review of project performance and effectiveness of Quality Management Systems. ”*
